><p>In a magical kingdom in the far away land of Magnolia, lives a beautiful blond princess, a cake crazed, scarlet haired knight, a dense pyromaniac, a cold hearted Fullbuster, and a tiny, hat wearing, weird, but kind king. Meet Lucy, Erza, Natsu, Gray, and Makarov, the most unlikely group of friends. Join them on a magical quest through, well, life.<p>

><p>The sun was just coming up as Lucy opened her eyes for the first time today. She popped up as soon as her eyes were open all the way. She was ecstatic. To day was her big day, or rather, tonight would be her big night. For tonight, he grandfather was holding a ball, and

she was to choose a partner, with which she would spend the rest of her life with, someone who would love her forever and longer. A prince.<p>

She skimmed through her closet for the perfect dress for the night. She hummed in delight as she found the dress she was looking for. She shimmied out of her night gown and she then began to put on her under skirts. Next was the dress itself. Finally, the corset. Once done dressing, Lucy did her hair in soft waves, and her make up to complement the dress.

><p>She was just finished with her morning practice, putting her swords away, Erza was greeted by her blue haired boyfriend who was holding a slice of cake and a kiss on the cheek. The two sat down in the grass that was still damp with the morning dew, to watch the sun take the place of the moon and stars.<p>

They just enjoyed their morning.

><p>The flames were just so pretty, he wanted them to be as beautiful as the blond on his mind. He also hoped he wouldn't see Mr. Frost-bite-Fullbuster.<p>

\_ 'I hate Gray, that stupid ice snake, worming his way into Luce's good graces' \_he thought as he started looking around for his little blue companion.

\* \* \*

><p><em>Perfect! This will be just what I need to woo her. One look at me, and she'll fall head over heels for me. <em>Or so her thought. Just a matter of keeping it on.

\_ Crap! where'd my pants go?\_

><p>"Z . . . z . . . z . . . z . . . z"<p>

"I donno if he ever heard his first wake up call." came a muffled voice from outside his door.

\_ 'Damn it! I'm the King, I said NOT to wake me this morning!' \_

><p><strong> So tell me if this story lives on, or if it dies here.<strong>
